ISOtek®

MODEL DESCRIPTION CABLE RANGE

EVO3 Sequel Power cable 2m / C15&C19/ Rated 16A / 23 Silver plated OFC strands/Mylar foil wrap& earthed

* OFC shield offer max RFI rejection - **Each**

EVO3 Elite Power cable 2m / C15&C19/ Rated 20A / 7-core geometry high purity copper/Mylar foil wrap & * earthed OFC / Double shielding with active OFC braid dramatically reduces RFI and EMI pollution - **Each**

EVO3 Optimum Power cable 2m / C15&C19 / Rated 25A / Silver plated OCC copper Square strands/Mylar foil * wrap & OFC shield / Connectors solid OFC with 24ct gold plated conductors - **Each**

EVO3 SYNCRO Power cable 2m / C15&C19 / Rated 16A / Double shielded / High purity silver plated OCC Copper (**Special Edition**) * conductors + Teflon FEP dielectric / Incorporates unique DC cancelling electronics - **Each**

EVO3 Sequel 3 Core Square Conductor Cable -Rated 16A / 23 Silver plated OFC strands/Mylar foil wrap& earthed **Per Meter** OFC shield offer max RFI rejection - **Per meter**

DISCOVERY RANGE

EVO3 Protek Instantaneous surge & spike production 63,000A (up to 1960 joules) / Preserves dynamics within music - **Each**

EVO3 Mini Mira Removes common mode& Differential Mode mains noise /RFI reduction 30dB audio & 40dB visual / Triple Resonance (**Video Filter**) Filter / 22,500A instantaneous protection / Max cont power 2,300W - **Black & Silver - Each**

PERFORMANCE RANGE

EVO3 SIRIUS Removes common mode& Differential Mode mains noise /RFI reduction 40dB /Max cont power 2,300W / Unique Inductive Resistance Gate / 22,500A instantaneous protection / **Black & Silver - Each**

EVO3 AQUARIUS RFI Reduction 60dB / KERF (Equal resistance & power delivery) /67,500A Instantaneous (Incl Premier C19 cable) protection /2 x High current outlets-3,680W & 4 x Medium-current outlets delivering 1,150W continuous / **Black & Silver - Each**

THE "BEAR" NECESSITIES

Connectors *** 24ct Gold Audiophile grade connectors /fully detachable /cable 4mm-16mm /cond up to 6AWG(4.1mm) - **Each Set Up CD** *** Isotek Set Up CD - **Each**

System Enhancer CD *** Isotek High Resolution Full System Enhancer 2nd Edition - **Each EVO3 Initium** *** Power cable 1.5m / C15 / Rated 16 Amp / Conductors 3 x 2sqmm / PE dielectric (insulation) - **Each EVO3**

Premier *** Power cable 1.5m only/ C15 & C19/ Rated 16A / 40 Silver plated OFC strands /Teflon FEP - **Each**

EVO3 Polaris *** Removes common mode & Differential Mode mains noise /RFI reduction 30dB /Max cont power 2,300W - **Each**

MNA *** Blue Horizon Mains Noise Analyser 230v - Mains / Power Testing tool

SELECT RANGE

EVO3 TITAN RFI Reduction 82dB (50 ohms standard)to 5Hz frequency range / Nine stage conditioning network in series parallel (Includes Premier configuration /KERF© / 112,500A Instantaneous protection / 2 x Indendant outlets 4,600W continuous power with C19 power cable) 25,000 transient ability /**Black & Silver - Each**

MOSAIC RANGE

MOSAIC GENESIS "Perhaps the ultimate hybrid power conditioning system ever created" Hybrid power conditioning system/150 W total clean power-3 outlets for front-end components/4600W for large power amps&mono blocks (2 outlets) / 99 000A progressive protection circuit / Removes Common Mode& Differential Mode mains noise

Products in catalogue not listed, are available on request & special order

*Custom lengths on cable and connectors available - special orders only
