NILES OS5.3B OUTDOOR SPEAKERS PAIR

Brand: Niles
Product Code: OS5.3B
Price: R5,990.00

Description

NILES OS5.3B OUTDOOR SPEAKERS

The OS5.3 employs a 5-inch mica-filled polypropylene woofer and a 1-inch UltraSilk tweeter.

Features

- Niles patent pending integrated woofer/baffle assemblies that provide more bass from less cabinet space for stunning realism from small cabinet sizes
- Inverted gold-plated five-way binding posts that prevent water from collecting around the connection terminals
- Swiveling mounting bracket that enables installers to mount the speakers quickly and easily and adjust the directionality of the sound after they are installed
- Rigid, acoustically inert cabinets made of mineral-filled polypropylene for clear crisp sound
- MicroPerf a rustproof aluminum grilles that will not rust or discolor
- Employ premium quality components with all brass or stainless steel hardware that stand up to all weather conditions
- Surpass military anti-corrosion standards (MIL-STD-883D)
- Sold as a pair
